To: Prospective and Enrolled Students

Re: Mandatory Professional Licensure and Certification Disclosure

From: Connie Beckel, Registrar
Michele Mellick, Staff Attorney

In accordance with the U.S. Department of Education’s 2019 State Authorization Regulations effective July 1, 2020, the following disclosure statement is provided by Seton Hill University in relation to educational requirements for professional licensure and certification of the following academic programs:¹

School of Education and Applied Social Sciences	School of Natural and Health Sciences	School of Visual and Performing Arts
Biology - Education (7-12 Teaching Certification) Business, Computer & Information Technology - Education (K-12 Teaching Certification) Chemistry - Education (7-12 Teaching Certification) Elementary Education (Pre K-4) with Special Education (Pre K-8) (B.A.) Elementary/Middle Level Education (M.A.) English - Education (7-12 Teaching Certification) French - Education (K-12 Teaching Certification) Mathematics - Education (7-12 Teaching Certification) Social Studies - Education (7-12 Teaching Certification) Spanish - Education (K-12 Teaching Certification) Special Education (M.A.)	Nursing (B.S.N.) Nutrition and Dietetics (B.S.) Orthodontics (M.S. and Certificate) Physician Assistant (B.S./M.S.) Physician Assistant (M.S.)	Art Education (B.A.) Art Therapy - Specialization in Counseling (M.A.) Music Education (B.M.) Music Therapy (B.M.) Music Therapy (Certificate)

A chart of the state-by-state analysis for each of the aforementioned academic programs is included in the pages that follow. Please note that the analysis is ongoing, and the University is actively working to provide the most current information for each U.S. state and territory. The most current information may be found online via the following link: <https://www.setonhill.edu/consumer-information/>.

Please note the following limitations of this disclosure. This disclosure is strictly limited to the University’s determination of whether the following educational programs, if successfully completed, would be sufficient to meet the educational licensure or certification requirements for employment in a particular U.S. state or territory.² In addition to educational requirements, a licensure board may require additional criteria be met for licensure, including but not limited to, age, examination, residency, citizenship, proof of social security number, fingerprint card, criminal background check, drug screening, and proof of malpractice insurance. The University cannot provide verification of an individual’s ability to meet licensure or certification requirements unrelated to the University’s educational programming. This disclosure does **not** provide any guarantee that

¹ The terms related to these programs, including licensure and certification, among others, vary by state, and a prospective or enrolled student’s state may use different terms.

² This determination is based on the educational and curricular requirements of each state for licensure (i.e., excluding any special, temporary licensure that may be granted) and does **not** imply that other requirements for licensure do not exist or have been determined to have been met by this program or that any necessary approvals for clinical placements have been secured at the time of enrollment. Each student should verify his or her particular situation with the intended state’s licensing entity.

any particular state licensure or certification entity will approve or deny a student's application. Finally, this disclosure does not account for changes in state law or regulation that may affect a student's application for licensure or changes that may occur in the future. Enrolled and prospective students are strongly encouraged to contact their state's licensure entity to review all licensure and certification requirements imposed by their state(s) of choice.

Please direct any questions or concerns regarding this disclosure to compliance@setonhill.edu.

School of Education and Applied Social Sciences
Biology - Education (7-12 Teaching Certification)

The University's <i>Biology - Education (7-12 Teaching Certification)</i> educational program curriculum, upon successful completion, <i>sufficiently meets</i> the licensure and certification requirements in the following states:	The University's <i>Biology - Education (7-12 Teaching Certification)</i> educational program curriculum, upon successful completion, is <i>not sufficient to meet</i> the licensure and certification requirements in the following states:	The University <i>has not made a determination</i> as to whether its <i>Biology - Education (7-12 Teaching Certification)</i> educational program curriculum, upon successful completion, is sufficient to meet the licensure and certification requirements in the following states:
		Alabama
		Alaska
