

## Student Emergency Fund Application

The Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act provides higher education institutions, including Seton Hill University, with funding to award students emergency financial aid grants to help cover expenses related to a student’s cost of attendance. Funds are to be made available to students to assist them with unexpected financial hardships resulting from the pandemic.

Students may submit this application if they have not received CARES Act funding to date, or have received previous CARES Act funding, but feel that they still are in need of assistance. Submitting this application does not guarantee receipt of emergency funds.
