

SETON HILL UNIVERSITY Advanced Placement Credit (AP)			
AP Exam Title	Minimum Score	Credit Hours	Seton Hill Credit Awarded
Art History	3	3	Elective
Biology*	3	3 (or 4)	SBL 150 General Biology I, must still take SBL 151 Gen Bio I Lab if required for major (or fulfills LAC - Science requirement for non-science major)
Calculus AB*	3	4	SMA 130 Calculus I, and fulfills LAC - Mathematics requirement
Calculus BC	3	8	SMA 130 and 140 Calculus I and II, and fulfills LAC - Mathematics requirement
Chemistry*†	4	5	SCH 140/141 General Chemistry I and Lab, or fulfills LAC - Science requirement for non-science major
Chinese Language and Culture	3 4	3 6	SCN 100 Elem Chinese Language & Culture I SCN 100 and 105, and fulfills LAC - Language study requirement
Comparative Government & Politics	3	3	SPS 204 Comparative Politics
Computer Science A	3	3	SCS 132 Prog I: Intro to Development
Computer Science Principles	3	3	Elective
English Language and Composition*	3	3	SEL 105 Composition and Culture Part A
English Literature and Composition	3	3	SEL 151 Topics in Literature
Environmental Science	3	3	Elective, or fulfills LAC - Science requirement
European History	3	3	SLA 201 Western Cultural Traditions II
French Language and Culture	3 4	3 6	SFR 100 Intro to French Language & Culture I SFR 100 and 105, and fulfills LAC - Language Study requirement
German Language and Culture	3 4	3 6	SGE 100 Elem German Language & Culture I SGE 100 and 105, and fulfills LAC - Language Study requirement
Human Geography	3	3	SHY 106 Historical and Political Geography
Italian Language and Culture	3 4	3 6	SIT 100 Elem Italian Language I SIT 100 and 105, and fulfills LAC - Language Study requirement
Japanese Language and Culture	3 4	3 6	SJP 100 Elem Japanese Language & Culture I SJP 100 and 105, and fulfills LAC - Language Study requirement
Latin	3	3	SLT 100 Elementary Latin Language & Culture I
Macroeconomics	3	3	SEC 102 Principles of Macroeconomics
Microeconomics	3	3	SEC 101 Principles of Microeconomics
Music Theory	3	3	SMU 127 Fundamentals of Music Theory, and fulfills LAC - Artistic Expression requirement
Physics 1: Algebra-based*	3	4	SPH 106/107 College Physics I and Lab, or fulfills LAC - Science requirement
Physics 2: Algebra-based*	3	4	SPH 108/109 College Physics II and Lab, or fulfills LAC - Science requirement
Physics C: Electricity and Magnetism*	3	4	SPH 112/113 General Physics II and Lab, or fulfills LAC - Science requirement
Physics C: Mechanics*	3	4	SPH 110/111 General Physics I and Lab, or fulfills LAC - Science requirement
Psychology*	3	3	SPY 110 Introductory Psychology
Seminar	3	3	Elective
Spanish Language and Culture	3 4	3 6	SSP 100 Elem Spanish Language & Culture I SSP 100 and 105, and fulfills LAC - Language Study requirement
Spanish Literature and Culture	3	3	Elective
Statistics*†	3	3	SSS 250 Introductory Statistics, and fulfills LAC - Mathematics requirement
Studio Art 2D Design	3	3	SAR 120 2-D Design, and fulfills LAC - Artistic Expression requirement
Studio Art 3D Design	3	3	SAR 121 3-D Design, or fulfills LAC - Artistic Expression requirement
Studio Art Drawing	3	3	SAR 115 Drawing, and fulfills LAC - Artistic Expression requirement
United States Government & Politics	3	3	SPS 121 American National Government
United States History	3	3	SHY 103 Intro to American History
World History	3	3	Elective
